INTRODUCTION and GENERAL INDEX

HILL DIRECTORY CO., Inc., publishers of Southeastern Directories (publishers of the Dunn-Erwin Directory since 1957), present to subscribers and the general public, this, the 1961 edition of the Dunn-Erwin City Directory, which also includes East Erwin and South Erwin.

Confidence in the growth of Dunn-Erwin's industry, population and wealth, and in the advancement of their civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Dunn-Erwin to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Dunn-Erwin Directory will fulfill its mission as a source of authentic information pertaining to these communities.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE YELLOW PAGES constitute the first major department of the Directory. This embraces a complete list of the names and addresses of the business and professional concerns of Dunn-Erwin, arranged in alphabetical order under appropriate headings—a catalog of all the activities of these communities. Preceding this catalog, likewise grouped under appropriate headings, are the advertisements and business cards of firms and individuals desiring to present a more complete list of their products or services than is possible in the catalog itself. The Yellow Pages represent reference advertising at its best, and merit the attention of all buyers and sellers seeking sources of supply or markets for goods. In progressive communities like Dunn-Erwin, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Dunn-Erwin, East Erwin and South Erwin, and the name, official personnel, nature and address of each firm and corporation in these communities.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the number of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the listing of telephone numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Dunn-Erwin and vicinity.

The Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Dunn-Erwin Directory, a Directory Library is maintained in the offices of the Dunn Chamber of Commerce, Inc., for free reference by the general public. This is one of more than 700 Directory Libraries, installed in the chief cities of the U. S. and Canada through the courtesy of members of the Association of North American Directory Publishers.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

CAUTION

T Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

Out of Sight • Out of Mind
★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

★

The City Directory is the natural medium for keeping a business or product name in the spotlight.
Insist on being well represented in its pages.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the **DIRECTORY** of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but **ONE SUBSCRIBER** to the **CITY DIRECTORY—THE ONE SUBSCRIBER** would of necessity have to absorb **THE WHOLE COST.**

If there were **100 SUBSCRIBERS**—each one would have to absorb **1/100th PART OF THE WHOLE COST.**

If there were **1000 SUBSCRIBERS**—each one would have to absorb **1/1000th PART OF THE WHOLE COST.**

From which it is obvious that the **GREATER** the number of subscribers—the **LESSER** the cost to each.

And

It is also obvious that the **LESSER** the number of subscribers—the **GREATER** the cost to each.

Every time you loan your City Directory the **LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.**

MORE BORROWERS result in **FEWER SUBSCRIBERS** which means **INCREASED COST.**

CAUTION

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business
The importance of keeping firm and product names in the public eye is recognized by all business men. It is responsible to use firm & product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.
The City Directory is the natural medium for keeping a business or product name in the spotlight.
Insist on Being Well Represented in its Pages

the latest edition of the City Directory?*

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten. If not persistently advertised, the natural medium for keeping a business or product name in the spotlight.

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ACHIEVING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSEVERENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.

The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSEVERENTLY ADVERTISED.

The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight.

HILL'S DUNN-ERWIN

Directory of Householders, Occupants of Office Buildings and Other Business Places, Including a Complete Street and Avenue Guide

1961

Including East Erwin and South Erwin

Copyright, 1961, by Hill Directory Co., Inc.

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Figures in parenthesis denote old numbers.

The word street is not used in addresses. Where a designation av, cir, ter, etc., does not appear, the designation st is understood.

The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.

This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSEVERENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

Out of Sight — Out of Mind — Out of Business
The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.
The City Directory is the natural medium for keeping a business or product name in the spotlight.

Out of Sight — Out of Mind — Out of Business
THE IMPORTANCE OF KEEPING FIRM AND PRODUCT NAMES IN THE PUBLIC EYE IS RECOGNIZED BY ALL BUSINESS MEN. IT IS ASTONISHING TO SEE HOW A FIRM OR PRODUCT, HOWEVER MERITORIOUS, WILL SLIP INTO THE LIMBO OF THE FORGOTTEN IF NOT PERSISTENTLY ADVERTISED.
The City Directory is the natural medium for keeping a business or product name in the spotlight

IN ADDITION to names and addresses, your City Directory contains much detailed information concerning the people of your community. In order to list this information certain symbols and designations have been developed which enable important statistics to be compressed into the smallest possible space. You will receive far greater benefits from your City Directory if you familiarize yourself with the symbols and what they stand for.

In checking credit applications, in conducting direct mail advertising programs, in planning sales campaigns, in building prospect lines, and in scores of other ways your City Directory will prove of invaluable assistance.
